

YWTS NETWORK - SEMESTER OPENING -

THEORETICAL SCIENCE SLAM BY (POST)DOCTORAL STUDENTS

AGENDA

- For (math.) economics, mathematics, and physics students (B.Sc./M.Sc.) as well as doctoral and postdoctoral researchers in those areas.
- Students get an impression what doing a PhD looks like.
- Researchers broaden their horizon and get to know fellow YWTS members.
- YWTS members will share insights about their research in a science slam. A variety of fields in economics, mathematics, and physics will be covered. There will also be time to ask questions about the daily life as a PhD student.
- You are invited to join afterwards for a bowling session at OWL's. Some snacks and drinks will be provided.

SCIENCE SLAM
